

South Puget Sound Community College Sex Offender Notification

When local law enforcement officials provide the college with relevant and necessary information regarding the presence of a convicted sex offender, as defined in the statute (RCW 4.24.550), the college is authorized to release information, relevant to and necessary for counteracting the offender's dangerousness. Any and all such information received from local law enforcement agencies will be maintained by the Director of Campus Security.

Listed below is a Level III sex offender currently enrolled at South Puget Sound Community College for Fall Quarter, 2008.

Benjamin J. Merryman
