Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of your and your parent(s)' 2010 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, we will make those corrections. Complete this verification form and submit it to the Financial Aid Office as soon as possible, so that your financial aid won't be delayed.
